

Philemon — Worksheet 2: Answer Key

Confidence in Obedience — marking guide

Use this to mark your own worksheet. For reflection questions, there is no single right answer — check that your response genuinely engages with the passage.

1. How does Paul ask Philemon to treat Onesimus, according to Philemon 1:17?

As he would receive Paul himself — as a partner.

2. What confidence does Paul express in Philemon 1:21?

That Philemon would do even more than what Paul had asked.

3. What does Paul request for himself in Philemon 1:22?

That a room be prepared for him, hoping to visit in person.

4. What is Paul's closing blessing in Philemon 1:25?

'The grace of our Lord Jesus Christ be with your spirit.'

5. Reflection: This whole brief letter is about restoring a broken relationship. Is there a relationship in your own life that could use this kind of intentional restoration?

Open, personal reflection.
